UNITED STATES COAST GUARD
and
GERMANISCHER LLOYD, AG**

GOVERNING PARTICIPATION IN THE ALTERNATE COMPLIANCE PROGRAM AND THE DELEGATION OF CERTAIN SURVEY AND CERTIFICATION SERVICES FOR UNITED STATES OF AMERICA FLAGGED VESSELS

1. PARTIES.

This Memorandum of Agreement delegates authority and sets forth guidelines for cooperation between the United States Coast Guard and Germanischer Lloyd, AG, hereafter referred to as "Coast Guard" and "Germanischer Lloyd," respectively.

2. AUTHORITY.

The Coast Guard is statutorily authorized to administer laws and promulgate and enforce regulations for the promotion of the safety of life and property at sea and the protection of the marine environment. In accordance with the authority granted by Title 46, United States Code, Section 3316, and by Title 14, United States Code, Section 93(d), and as implemented under the regulations in Title 46, United States Code of Federal Regulations, Part 8, the Coast Guard may delegate the authority to perform plan review and approval, inspections and examinations and issuance of certain international convention certificates. The Coast Guard also has statutory authority under Title 46, United States Code, Part J - Measurement of Vessels, for the measurement and the certification of tonnage for vessels for which the application of a law of the United States depends on the vessel's tonnage. Under Title 46, United States Code, Section 14103, the Coast Guard may delegate the authority to measure vessels to qualified persons. Title 46, United States Code, Section 5107, authorizes the Coast Guard to delegate the authority to assign load lines, survey vessels, determine that load line marks are marked correctly, and issue load line certificates to qualified organizations.

3. PURPOSE.

The purpose of this Agreement is to authorize Germanischer Lloyd to participate in the Alternate Compliance Program and perform specified vessel survey functions on U.S. flagged vessels on behalf of the Coast Guard.

This Agreement defines the scope, terms and conditions and requirements of the authority delegated to Germanischer Lloyd.

The term "Agreement" in this document refers to this Memorandum of Agreement and its Annex, Addendum to its Annex, or subsequent amendments, that may be agreed upon by

Germanischer Lloyd and the Coast Guard. In this Agreement, the term "Commandant" refers to the United States Coast Guard Assistant Commandant for Marine Safety, Security, and Stewardship (CG-5).

This Agreement relates to the initial and subsequent surveys and periodic reinspections or examinations of "Vessels" of the United States, as that term is defined by 46 United States Code, Section 116, both in the United States and in foreign countries, in the review and approval of plans, the tonnage measurement of vessels, and in associated activities. Nothing in this Agreement alters in any way the statutory or regulatory authority of the Coast Guard.

This Agreement shall be governed by and conducted in accordance with United States law.

This Agreement supercedes the Agreement previously executed on November 5, 2002, between the Coast Guard and Germanischer Lloyd governing the delegation of certain survey and certification services for United States of America flagged vessels.

4. RESPONSIBILITIES -- GENERAL CONDITIONS.

Delegated functions performed by, and certificates issued by, Germanischer Lloyd will be accepted as functions performed or certificates issued by the Coast Guard, provided that Germanischer Lloyd remains in compliance with all provisions of this Agreement.

5. RESPONSIBILITIES -- AUTHORIZED FUNCTIONS.

5.1 The Coast Guard delegates to Germanischer Lloyd the authority to participate in the Alternate Compliance Program, measure vessels, conduct the initial and subsequent surveys, periodic reinspections and examinations including drydocking examinations and the authority to issue and endorse certain certificates as provided in the Annex to this Agreement for U.S. flagged vessels, both in the United States and in foreign countries. In carrying out these functions, Germanischer Lloyd shall comply with any restrictions, special instructions or supplemental requirements as required by this Agreement.

5.2 The Coast Guard will accept the review and approval of vessel plans by Germanischer Lloyd in the same manner as if approved by the Coast Guard for those plans related to the functions authorized by this Agreement.

5.3 The Coast Guard retains the authority to revoke or suspend any certificates issued by Germanischer Lloyd on behalf of the Coast Guard, as such this authority is not delegated to Germanischer Lloyd. (See paragraph 10.3 for related reporting requirements.)

6. RESPONSIBILITIES -- DEVELOPMENT OF RULES AND/OR REGULATIONS

6.1 Germanischer Lloyd shall allow the Commandant to participate in the development of class rules and provide the Commandant the opportunity to comment on any proposed changes to its class rules and to respond to the disposition of those comments.

6.2 Where Germanischer Lloyd adopts changes to its rules for ship classification that are determined by the Coast Guard to be inconsistent with Title 46, United States Code of Federal Regulations, Chapter I, or Coast Guard policy, the Coast Guard may require

Germanischer Lloyd to administer corrective measures or provisions to any rules or activities that affect any delegated activities on behalf of the Coast Guard.

6.3 Germanischer Lloyd shall submit for approval by the Coast Guard proposed changes to any supplemental requirements to Germanischer Lloyd rules that may affect any vessel inspection or certification activities by Germanischer Lloyd under this Agreement.

6.4 "Supplemental Requirements," as contained in the Addendum to the Annex to this Agreement (also known as the "Supplement"), to Germanischer Lloyd rules shall include all requirements applicable for the issuance of a Certificate of Inspection, which are not, in the opinion of the Commandant, adequately established by either Germanischer Lloyd rules or applicable international conventions.

7. RESPONSIBILITIES – OTHER CONDITIONS.

7.1 Remuneration for delegated survey and certification services carried out by Germanischer Lloyd on behalf of the Coast Guard will be charged by Germanischer Lloyd directly to the party requesting such services.

7.6 Germanischer Lloyd shall honor any appeal decision made by the Commandant on issues related to delegated functions under this Agreement.

7.7 Germanischer Lloyd, in exchange for express assurances of confidentiality, will in furtherance of this agreement, provide the Coast Guard with information which is otherwise not available to private or public parties. This information is only provided to the Coast Guard due to the express assurance of confidentiality, and in the event that the confidentiality is breached, it will serve as a basis for restricting access by the Coast Guard to Germanischer Lloyd's confidential and proprietary information. It is further expressly agreed that the Coast Guard will promptly notify Germanischer Lloyd in writing upon receipt of any request for Germanischer Lloyd's records.

7.8 In the event the Coast Guard is found liable in a court of law for losses or damages sustained due to a negligent act or omission by Germanischer Lloyd, its officers, employees or others who were acting on behalf of Germanischer Lloyd pursuant to this Agreement, the Coast Guard is entitled to obtain compensation from Germanischer Lloyd up to, but not exceeding, the amount of the Coast Guard's financial liability.

7.9 While acting on behalf of the Coast Guard under this Agreement, Germanischer Lloyd shall be free to create contracts directly with clients and such contracts may contain Germanischer Lloyd's normal contractual conditions for limiting its legal liability.

7.10 The interpretation by the Coast Guard of the technical aspects of this Agreement shall be final.

8.5 Germanischer Lloyd shall attend any U.S. flagged vessel for which it has performed any delegated function on behalf of the Coast Guard at the request of an appropriate Coast Guard official.

8.6 Germanischer Lloyd shall accept all requests to perform delegated services without regard to the vessel's location, unless prohibited from doing so under the laws of the United States or under the laws of the jurisdiction in which the vessel is located.

8.7 Germanischer Lloyd shall allow those exclusive employees, authorized to perform delegated functions on behalf of the Coast Guard, to participate in training with the Coast Guard regarding those functions.
